3. Air conditioning
2. Vacations
1. **The Living Church**

If your parish is not included in **The Living Church** magazine's regular Church Directory, take advantage of our **2010 Summer Services Directory** appearing in the May 30 – August 29 issues.

This directory is a valuable resource for those who vacation and travel during the summer months and seek a place of worship while away from their home parishes.

Your listing will also be included in three special issues:

**June 13:** Summer Parish Administration Issue (Double Circulation!)

**July 18:** Retirement Issue

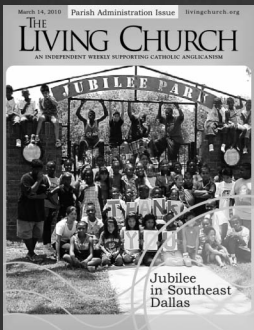

**August 15:** Fall Education Issue

**NEW FOR 2010!** Include your parish in this 14-week directory and your listing will also appear on our website ([www.livingchurch.org](http://www.livingchurch.org)) in our Online Church Directory from May 30 to August 28 **free of charge!**

Cost is only \$10.50 per week to run a minimum three-line listing for 14 weeks. **Please note:** Each additional line is \$3.50 per line, per week. No prepayment is necessary.

Please use enclosed sample listings as a guideline in preparing your listing. Type or print clearly and return in the provided envelope. You may also fax your listing to **Amber Muma** at (414) 276-7483 or e-mail to [amber@livingchurch.org](mailto:amber@livingchurch.org).
